Video Management Platform
Help viewers visualize your message

AT A GLANCE

VideoHere allows you to easily manage your video library, add video thumbnails to your email campaigns, and track your video directly from your Net Atlantic account.

BENEFITS

VideoHere Makes It Easy

- **Upload** MP4, MOV, FLV, MPEG, WMV, and AVI videos for your online video library.

- **Encode** formatting by using H.264 for a web HD experience.

- **Embed** your video thumbnail into emails by clicking Insert in your video library.

- **Optimize** video titles, descriptions, and keywords for improved search engine optimization.

- **Deliver** to viewers via the Amazon and Limelight Content Delivery Network.

- **Share** videos with friends and colleagues easily, using Social Media, embedding codes for their sites, and by direct link.

- **Track** your video's impact, including impressions, clicks, views, drop-offs, view times, and viral sharing.

Maintain Ongoing Conversations with Viewers

Video helps bring visitors to your website on a regular basis. You stay in front of your audience throughout your sales cycle, so they keep you in mind when it is time to buy.

Net Atlantic and VideoHere

VideoHere adds seamless video management and delivery to your email campaigns, within your email marketing suite. This easy-to-use interface includes:

- 100% USA-based HDI-certified technical support by phone, email, and live web chat.
- Our solid sender relationships with major ISPs and proven track record of deliverability.
- A video storage library that is reliable and scalable to support multiple video email campaigns.
- Powerful tracking and reporting for emails and videos used in your email marketing campaigns.
